CIRCULAR NO.4

29TH JULY 2016

ORGANISATIONAL DISCIPLINE :

It needs no emphasis that internal discipline is essential to preserve the dignity, integrity and solidarity of our great edifice. It has been upheld time and again that organization is certainly greater than any individual or group of individuals.

We cannot take with a pinch of salt the attempts to operate with remote control to disrupt the functions of the Union which will in the long run destabilize the organization.

We advise our members, in the above backdrop, that Shri K.S.S.Kowshik, Associate, AU, Coimbatore has been removed from the primary membership of the Union in terms of Bye-law No.7(C) for having acted in a manner contrary to the interests of the Union, thereby, bringing the Union into disrepute, after careful consideration of explanation submitted by him.

ALL INDIA BANK STRIKE ON 29TH JULY 2016 : STUPENDOUS SUCCESS

We reproduce hereunder the text of the Circular No.5 dated 29.07.2016 issued by Com.Sanjeev K Bandlish, General Secretary of our National Organisation NCBE, appending the Circular No.UFBU/2016/60 dated 29.07.2016, the contents of which are self-explanatory.

(D.SINGARAVELU)
GENERAL SECRETARY

TEXT OF THE CIRCULAR NO.UFBU/2016/60 DATED 29TH JULY 2016:

“Heartiest Congratulations to one and all – The one day All India Bank Strike by more than 10 lac bank workmen and officers today is a stupendous success. **Kudos Comrades!** The grand success of the united struggle of bank employees all over the country displays clearly the anguish and concern of the bank employees towards the general public as well as the entire labour force in the country.

At the call of United Forum of Bank Unions, the entire workmen and officers in the banking industry observed a day's All India Bank Strike today opposing the adamant attitude of the Government in pursuing the reform measures in the banking sector ultimately paving the way for the private players to wipe out the public sector character prevalent in the country, proposals for consolidation of banks while granting licenses to private players for opening small banks, neglecting in full the ways and means to recover the soaring bad loans in the Public Sector Banks, the ill-fated, anti-labour amendments to labour laws of the country.

Despite persistent opposition from all trade unions not only in the banking sector but also from all the trade unions in the country, the Government has been adamantly pursuing the anti-public banking, financial and labour reform measures, which are detrimental to the general public and the entire work force in the country. Reports pouring in from different parts of the country confirm that the strike is total with massive rallies and demonstrations conducted by the entire membership all over the country. The stupendous success of the strike should be an eye-opener to the Government and we hope and trust the emotional protest of the bank employees are duly noticed by the Government and given due cognizance.

Comrades – The battle is not yet over – We may have to continue our agitations to a greater extent till we achieve our goal. While we thank wholeheartedly our entire membership for its excellent display of unity in sending strong signal to the Government to halt in entirety the path of reforms, we appeal to the entire membership in readiness to implement further agitational programmes, if any, decided by the UFBU in the days to come.

We place on record our sincere thanks to all the leaders from political parties, Central Trade Unions who have lent their total support to our agitation launched in the interests of general public and the entire workforce in the country.

***Comrades – Be Alert – Be ready for further struggles –
We shall fight – We shall fight – Till we succeed – We shall fight”***

With revolutionary greetings,

**Sd/-
