2.	Shri N.Kanagarajee, Associate	Kancheepuram	Asst.Gen.Secy, Zone-IV

Besides, the Central Committee took stock of the pre and post 36<sup>th</sup> General Council situation and deliberated at length. The General Secretary while congratulating the newly elected/co-opted members impressed upon them the need to maintain utmost discipline in the organization to keep aloft the flag of our Union at all times.

## KUDOS TO OUR COMRADES

It is well known that whether it was the 20 point Economic Programme of Mrs Indra Gandhi regime or the recent programme of Jan Dhan, it is always the workforce of Banking Industry that makes the programmes of successive Governments a grand success.

The demonetization of currency notes of Rs.500 and Rs.1000 denomination by Government of India on 8/11/2016 demanded our participation in full and our members are giving their best to make the economy work. We congratulate our talented and dedicated workforce who shoulders the onerous responsibility of alleviating the hardships of common man at this hour of need.

We enjoin upon all our members to follow the extensive guidelines given by us vide our Circular-12 dated 10/11/2016. We reiterate that each and every category of staff must mark the actual time of departure. We further advise our members to ensure that:

- (a) CCTV recording of cash handling is to be ensured at all Branches and more particularly by the chest branches.
- (b) The bundle of notes should be securely packed under CCTV surveillance.

There is a misgiving in the minds of some of the operational functionaries that overtime is to be paid only for the days announced by the Reserve Bank of India unmindful of the overtime work performed by our staff on daily basis at Branches.

We advise that if there is no specific instruction from the Branch Manager to perform overtime work, normal working hour may be followed in such cases.

(D.SINGARAVELU)  
GENERAL SECRETARY
